In the event of personal illness or injury, the Employee will continue to receive pay at his regular rate for his regularly assigned route until his sick leave is exhausted. Unused sick leave days shall be accumulated from year to year to a maximum of two hundred (200) days, from all sources.

(b) An Employee who has accumulated at least 150 days of unused sick leave will be permitted to voluntarily donate in any one contract year an aggregate of five (5) days of such sick leave to a fellow Employee who has exhausted all of his/her paid sick leave and who is suffering from a catastrophic illness or injury which requires additional time off work. The Board may require verification from the ill Employee's physician regarding the nature of the illness or injury and the time necessary to recuperate from it and to return to work. The donating Employee and recipient Employee will cooperate with the Board in that regard and also sign any necessary consent forms to permit the Board to have access to such information. The Union assumes full responsibility for locating donors for this program and no Employee will be coerced to donate any days of sick leave nor threatened with any retaliation nor suffer any adverse employment action by either the Union or the Board for refusing to donate sick leave days. The maximum number of donated sick leave days which an Employee may receive under this program is 60 days.

Section 4.2. Family Illness Leave. Employees shall be allowed a maximum of five (5) school days in any one (1) school year in the aggregate in the case of hospitalization of the Employee's spouse, parent, child, sister or brother. Absence for this purpose shall be without loss of pay and shall not be charged against the Employee's accrued days of sick leave.

Section 4.3. Maternity Leave. (a) Any pregnant Employee who desires to continue the performance of her duties during the period of her pregnancy may continue to do so provided that her health and work efficiency are not affected and that she is physically capable to continue to perform her duties.

(b) The determination of the dates maternity leaves shall commence and terminate shall be made by the Business Manager or his designee after consultation with the Employee and pursuant to the provisions hereinafter set forth. The date of commencement and termination of maternity leaves shall be the date medically established as hereinafter provided. If the Employee plans to return to work following childbirth, she shall report to work within fifteen (15) days of the date of discharge from the hospital unless such resumption of duties is not medically advisable, as hereinafter provided.

(c) Paid sick leave benefits for maternity to the extent of an Employee's accumulated earned sick leave shall be paid only during the time of medical confinement, which shall be the time medically established for termination and recommencement of duties as hereinafter provided.

(d) Where maternity leave has been approved, the commencement or termination dates thereof may be further extended or reduced for medical reasons upon application by the Employee to the Business Manager. An application shall be accompanied by the statement of the Employee's physician. Such extensions or reduction shall be granted for the time medically indicated.

(e) The determination of whether the Employee is capable of continuing work during pregnancy or whether she is capable of returning to work following childbirth and whether her health and work efficiency will be adversely affected, shall be made in consultation with the Business Manager, the Employee and, if necessary, the Employee's physician, and may also be in consultation with a physician of the Board's selection. In the event of a difference of opinion between the Employee's physician and the Board's physician, a third physician (chosen by the Employee and the Board or in the event they cannot agree, by the Marshall County Medical Society) shall render an opinion on the issue of medical capacity to continue or resume the performance of duties, which opinion shall be binding on the parties.

Section 4.4. Bereavement Leave. In the case of death in an Employee's immediate family, the Employee shall be granted permission to be absent from duty for not more than five (5) days at the discretion of the Superintendent as may be determined to be necessary for attendance at the funeral and for any other purpose directly arising out of the death. In the case of the death of the uncle, aunt, niece, nephew or first cousin of the Employee and his spouse, the Employee shall be granted permission to be absent from work for one (1) day at the discretion of the Superintendent in order to permit the Employee to attend the relative's funeral.

In the case of an emergency, permission for such leave may be sought in person or by telephone with the written statement presented to the Director of Transportation upon the Employee's return. Should an unusual number of personal leave requests occur on one (1) day causing a staffing problem, the Director of Transportation shall have the discretion to grant only those requests for which adequate substitutes may be obtained. No personal leaves shall be granted for the day immediately preceding or the day immediately following a holiday or for the day immediately preceding the commencement of vacation or the day immediately following the end of a vacation period.

Section 4.6. General Leave. An Employee may apply for a general leave of absence without pay or benefits. Such a leave may be granted (or refused) within the sole discretion of the Superintendent or designee. An Employee on unpaid general leave that exceeds five (5) working days shall be assigned the first vacancy position that occurs after the conclusion of the leave. An Employee on general leave that does not exceed five working days shall, at the conclusion of the leave, be assigned to previously held routes. An Employee granted unpaid general leave for medical reasons shall maintain a right to previously held routes for twenty (20) working days beyond expiration of sick leave. The District may request a statement from a medical doctor to verify the need for and the appropriate dates for any medical leave and the Employee will provide such waivers as may be required by the doctor for the District to obtain such information.

Section 4.7. Leave Record. During the month of July of each year the Board will provide to each Employee a written report showing that Employee's unused sick leave days and unused personal leave days as of the date of such report.

(f) Failure to return to work upon recall after layoff within five (5) days after the Board has given notice of recall; provided, however, that if at the time of the layoff the Employee is advised when to return to work, his failure to return on the day so designated shall be deemed to be a voluntary quit.

(g) By employment elsewhere during any leave of absence due to any cause other than layoff, except if such other employment is consented to by the Board.

Section 5.4. Determination of Seniority. In those situations where employees have the identical date of hire, the date shown on the Employee's employment application form will be the determining factor, with the earliest application date being given priority.

Section 5.5. Seniority Lists. The Board shall furnish to the Union current seniority lists on or about October 1 and on or about February 1 of each contract year.

ARTICLE VI

BIDDING PROCEDURE

Section 6.1. Regular Routes and Summer Routes. Subject to the right of the District at all times to change, consolidate, divide or realign routes, when a vacancy occurs on a regular or special or summer route, the vacancy shall be posted for bidding for a period of three (3) working days and where the skill, ability, demonstrated qualifications to deal with the students involved, personal appearance, competence, past performance and work attendance of the bidders are relatively equal, the vacancy shall be assigned to the most senior Employee. Drivers shall be limited to one successful bid each school year. It shall be considered a successful bid when a driver bids on a posted vacancy and then either accepts the award, refuses to accept the award or withdraws his name from consideration for the award when he is the most senior driver bidding on the vacancy. The Union business representative shall be provided with copies of job postings for regular routes and summer routes.

Section 6.2. Activity Trip Bidding Procedure. During the term of this Agreement, a trip bidding procedure will be in effect which shall permit the bidding of field trips and activity trips. The details of the bidding procedure shall be established by the Director of Transportation but the procedure will be designed to award such trips to the most senior bidder meeting qualifications for the trip. The activity trip bidding procedure shall not apply to tie-ins or other trips which may require special considerations nor to trips requiring buses equipped for wheelchairs or in transporting special education students. Drivers who are assigned mid-day or pre-school routes may not bid for activity trips which would interfere with the performance of the regularly scheduled mid-day or pre-school route.

Section 6.3. Details of Bidding Procedure. The following provisions shall apply to the activity trip bidding procedure:

(a) Bidders will indicate activity trip choices by listing the most desired trip number first followed by any additional trip numbers the driver may wish to bid on for each day. Drivers will be limited to two successful bids each week for out-of-town trips.

(b) Trips not receiving bids will be awarded at the discretion of the Director of Transportation to the most senior driver available.

(c) Trips will be awarded to the most senior bidder meeting qualifications for the trip.

(d) If, after being awarded a trip, the successful bidder cannot fulfill the obligation, the bidder shall lose bidding rights for the following week unless the reason for not fulfilling the obligation is for one of the forms of leave set forth in Sections 4.1, 4.2, 4.3 or 4.4 of this Agreement or because such bidder becomes involved in legitimate Union business activities and, for that reason, cannot make the trip. The Director of Transportation will notify the Chief Steward as to the identity of any employees who lose bidding rights as a result of this subsection.

(e) Cancellation of an activity trip shall not cause the remaining trips to be rebid nor shall the driver receive pay except as provided in this Agreement.

(f) Emergency trip requests will be assigned to the most senior driver available; if that driver refuses the assignment, then the trip will be assigned to the next most senior driver available. The Director will notify the Union Steward, or designee, of such assignments.

ARTICLE VIII

GRIEVANCE PROCEDURE

Section 8.1. A grievance is a difference of opinion between the Board and an Employee, or a group of Employees, or between the Board and the Union with respect to the meaning, interpretation or application of any term or terms of this Agreement. A grievance must be presented to the appropriate supervisor in accordance with the following procedures not more than five (5) working days after the occurrence of the event giving rise to the grievance or it shall be considered waived, unless a different time limit is specifically provided for in this Agreement for a particular type of grievance.

Section 8.2. (a) The failure of an Employee (or, in the event of an appeal to arbitration, the Union) to act on any grievance within the prescribed time limits, will act as a bar to any further appeal and a supervisor's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

(b) It is agreed that any investigation or other handling or processing of any grievance shall be conducted during non-work time and so as to result in no interference with or interruption whatsoever of the normal work activities of the grievant or other Employees.

Section 8.3. Grievances will be handled in accordance with the following procedures:

(a) First Step. An attempt shall be made to resolve any grievance in informal verbal discussion between the grievant and his or her supervisor.

(b) Second Step. If the grievance cannot be resolved informally, the aggrieved shall file the grievance, in writing, using the grievance form,

Exhibit C, and, at a mutually agreeable time, discuss the matter with the supervisor. The written grievance shall state the nature of the grievance, shall state the specific clause or clauses of the Agreement alleged to be violated and shall state the remedy requested. The filing of the formal written grievance at the Second Step must occur within ten (10) calendar days from the date of the occurrence of the event giving rise to the grievance or the grievance shall be considered waived. At the discussion of the matter with the supervisor, the grievant, if he desires, may be accompanied by his steward, or, if he is not available, by the chief steward. The supervisor shall make a decision on the grievance and communicate it in writing to the grievant within ten (10) calendar days after receipt of the grievance.

(c) Third Step. In the event a grievance has not been satisfactorily resolved at the Second Step, the grievant shall file, within five (5) calendar days of the supervisor's written decision at the Second Step, a copy of the grievance with the Business Manager. Within ten (10) calendar days after such written grievance is filed with the Business Manager, the aggrieved and, if he desires, the chief steward and/or business agent of the Union and the Business Manager, or his designee, shall meet to attempt to resolve the grievance. The Business Manager, or his designee, shall file an answer within ten (10) calendar days of the third step grievance meeting and communicate it in writing to the grievant and the Union.

(d) Fourth Step. In the event the grievance is not satisfactorily resolved at the Third Step, there shall be available a fourth step of impartial arbitration. The Union may submit in writing a request on behalf of the Union and the grievant to the Business Manager within ten (10) calendar days following receipt of the third step answer to enter into such arbitration. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two (2) parties within ten (10) calendar days after said notice is given. If the two (2) parties fail to reach agreement on an arbitrator within ten (10) calendar days, the Federal Mediation & Conciliation Service will be requested to provide a panel of five (5) arbitrators. Each of the two (2) parties will alternately strike one (1) name at a time from the panel list until only one (1) shall remain. The remaining name shall be that of the arbitrator. The arbitrator shall have authority only to interpret and apply the provisions of this Agreement and to decide the particular grievance submitted to him. He shall not have authority to add to, delete from or in any way modify, alter or amend any provisions of this Agreement. The fees and expenses of the arbitrator shall be borne equally by the Board and the Union, but all other costs will be the responsibility of the party incurring them.

(e) The time limits set forth above may be extended, at any step of the grievance procedure, by mutual agreement of the parties, provided that the request for an extension is made before the expiration of the original time limits.

(f) If the Union or any Employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Board shall not be required to process the same claim or set of facts through the grievance procedure. Neither the Union, the Board, nor any Employee shall release information to the public media concerning a grievance until the grievance has reached the fourth step in the grievance procedure.

(g) An Employee shall be discharged or suspended only for proper cause. Before an Employee who has been suspended or discharged is required to leave the premises, the chief steward shall be summoned to an office designated by the Board for the purpose of being notified of the suspension or discharge and for the purpose of hearing the Employee's statement of his position. It is understood that this meeting does not constitute a Step in the grievance procedure. Any grievance involving the suspension or discharge of an Employee must be filed in writing within three (3) working days after the suspension or discharge occurs, and any such grievance shall start at Step 3 of the grievance procedure. This section shall not be applicable in the case of suspension or discharge of a probationary Employee.

ARTICLE IX

Section 9.2. Pursuant to such authorization, the Board shall deduct each month from the regular salary check of the Employee the amount of monthly union dues as specified by the Union.
